Executive Order 2003-064, ratified by the 2005 Regular Session of the General Assembly, created the Commerce Cabinet by combining the former Tourism Development Cabinet and elements of the Education, Arts and Humanities Cabinet. The Commerce Cabinet's mission (KRS 148.522) is to capitalize on the natural assets of the Commonwealth and draw from resources in business development, tourism, outdoor attractions, arts, and cultural heritage. Through unified efforts of its agencies, the Cabinet will continually strive to improve the quality of life of the people of Kentucky by creating new wealth and generating jobs. The Cabinet estimates tourism spending in excess of \$8.8 billion annually, making tourism Kentucky's third-largest industry. The tourism industry, Kentucky's second-largest private employer, provides employment for approximately 163,000 Kentuckians. In addition, tourism related industries and businesses generate approximately \$917 million of state and local tax revenues in the Commonwealth.

Executive Order 2003-064 transferred the following entities from the Education, Arts, and Humanities Cabinet to the Commerce Cabinet:

- The Kentucky Arts Council
- The Kentucky Historical Society
- The Kentucky Center for the Arts
- The Kentucky Craft Marketing program
- The Governor's School for the Arts
- The Kentucky African-American Heritage Commission
- The Kentucky Heritage Council
- The Kentucky Humanities Council

Executive Order 2003-064 also transferred the following entities from the Governor's Office to the Commerce Cabinet:

- The Kentucky Coal Council and the Office of Coal Marketing and Export
- The Commission on Small Business Advocacy

Subsequent to the original reorganization, Executive Order 2004-723 transferred the following entities from the Finance and Administration Cabinet to the Commerce Cabinet:

- Capital Plaza Operations
- Creative Services

Each of the above Executive Orders was ratified in the 2005 Regular Session of the General Assembly by Senate Bill 40. Within Senate Bill 40, the Commission on Small Business Advocacy was transferred to the Economic Development Cabinet. Also added by Senate Bill 40 and attached to the Office of the Secretary's appropriation unit was the Office of Energy Policy. The old Division of Energy within the Environmental and Public Protection Cabinet was transferred to this new office by Senate Bill 41. In addition, Senate Bill 65 created the Kentucky Sports Authority and attached it to the Office of the Secretary's appropriation unit.

Executive Order 2003-064, which was ratified by the 2005 Regular Session of the General Assembly, created the Commerce Cabinet by combining the former Tourism Development Cabinet and elements of the Education, Arts and Humanities Cabinet. The Office of the Secretary of the Commerce Cabinet coordinates the various agencies within the Cabinet.

The Executive Policy and Management unit directs planning and management of the agencies within the Cabinet. This program develops plans to assure orderly growth and improved management, recommends executive actions and legislative measures, and evaluates agency budget requests.

The 2005 General Assembly took the following actions:

- Added by Senate Bill 40 and attached to the Office of the Secretary's appropriation unit was the Office of Energy Policy. The old Division of Energy within the Environmental and Public Protection Cabinet was transferred to this new Office by Senate Bill 41. The Office of Energy Policy is being recommended as a separate appropriation unit in fiscal biennium 2006-2008.

- Senate Bill 65 created the Kentucky Sports Authority and attached it to the Office of the Secretary's appropriation unit. Although this was attached to the Office of the Secretary, the funding was provided by the Department of Tourism.
- The Creative Services and the Capital Plaza Operations programs were transferred from the Finance and Administration Cabinet to the Commerce Cabinet, Office of the Secretary, by Senate Bill 40.
- The Commission on Small Business Advocacy was transferred from the Governor's Office to the Commerce Cabinet's Office of the Secretary by Executive Order 2003-064. Subsequent to the Executive Order, this Office was transferred to the Economic Development Cabinet by Senate Bill 40.

Executive order 2005-576 moved grants to the Mountain Arts Center, the Blue Apple Players, and the Martin Luther King Commission from the Education Cabinet to the Commerce Cabinet, Office of the Secretary.

Policy

The Budget of the Commonwealth includes an additional \$41,000 in General Fund in fiscal year 2006-2007 and \$41,000 in General Fund in fiscal year 2007-2008. These outdoor drama grants now total \$371,000 in each year of the biennium.

The Kentucky Office of Energy Policy was established in 2005 by the Governor and the General Assembly to benefit the citizens of the Commonwealth by addressing key recommendations made in the Commonwealth's Comprehensive Energy Strategy.

The office supports energy-related research and development that will benefit Kentuckians by helping to maintain Kentucky's low-cost energy, develop Kentucky's energy resources responsibly, and preserve Kentucky's environmental quality.

To fulfill its objectives, the Office of Energy Policy has initiated five programs to provide financial support to Kentucky's public universities and industry for energy-related research, development, and demonstration. These programs include Applied Energy, Clean Coal, FutureGen, University Research Matching Funds, and University Research and Development Seed Grants.

The Office supports the Kentucky Coal Council. The Council consists of 14 members and its functions are defined in KRS 154.12-252. The duties of the Council include, but are not limited to, promotion of Kentucky coal through development of market information, coordination of ongoing research and marketing programs relating to coal production, transportation, and consumption, identification of national and international market developments relating to coal, and advising coal operators and other industries seeking to enter or expand domestic or export markets. This office receives \$400,000 from the property tax on unmined coal for the benefit of the Council that is to be used for the purpose of public education of coal-related issues.

Policy

Included in the Budget of the Commonwealth is \$3.5 million in Restricted Funds in each year of fiscal biennium 2006-2008 for research grants. These funds will originate from the Local Government Economic Development Fund Multi-county Fund (coal severance tax). The General Assembly directed this money to be used for research projects relating to clean coal, new combustion technology, thin-seam coal extraction research, synthetic natural gas produced from coal through gasification processes, and the development of alternative transportation fuels produced by processes that convert coal or biomass resources or extract oil from oil shale and shall be targeted solely to Kentucky's Local Government Economic Development Fund-eligible counties.

Included in the Budget of the Commonwealth is a transfer of \$400,000 in Federal Funds in fiscal year 2006-2007 from the Energy Efficiency in State Government Buildings federal grant to the Chiller Pool capital project in the Cabinet for Health and Family Services.

The Department of Tourism was created to promote, develop, and provide support services for the tourism industry within the Commonwealth.

The Executive Policy and Management program establishes the policies and goals; coordinates the overall planning, management, and direction for the agency; and provides for the efficient administration of the Department and its programs.

The Tourism Services Division operates welcome centers in Florence, Franklin, Grayson, Hopkinsville, Paducah, Simpsonville, Shepherdsville, and Williamsburg; generates sales revenue to Kentucky's tourism industry through trade show participation and pursuit of group, commercial, and individual markets; and disseminates tourism information to tourists and potential visitors via a telephone system, direct mail, and the welcome centers. The goal of the Tourism Services Division is to conduct a comprehensive travel promotion campaign and to serve Kentucky's private sector tourism industry. This program also markets and promotes Kentucky to the film industry to attract television and feature movie productions to the state.

The Marketing and Advertising Division develops and coordinates state tourism advertising and tourism media placement; coordinates and produces tourism brochures and sales promotion materials; assists non-profit private sector groups with advertising and promotion costs through matching funds and cooperative advertising programs; develops and maintains the department's website (www.kentuckytourism.com); and develops and maintains a marketing and research data base on Kentucky's tourism industry. The goal of this program is to develop, coordinate, and maintain a comprehensive advertising campaign to promote Kentucky as a tourism destination.

House Bill 272 of the 2005 General Assembly established a one percent transient room tax and dedicated the revenue from that tax to a new fund titled The Tourism, Meeting, and Convention Marketing Fund. The Tourism, Meeting, and Convention Marketing Fund shall be used for the sole purpose of marketing and promoting tourism in the Commonwealth including expenditures to market and promote events and venues related to meetings, conventions, trade shows, cultural activities, historical sites, recreation, entertainment, natural phenomena, areas of scenic beauty, craft marketing, and any other economic activity that brings tourists and visitors to the Commonwealth. This new fund shall not support expenditures on capital construction projects.

The Kentucky Sports Authority is established pursuant to KRS 148.590. Its primary responsibility is to recruit, promote, assist, place, and develop sporting events, facilities, and programs in the Commonwealth, with the ultimate goal of developing commerce, the economy, job opportunities, and revenue streams. The Kentucky Sports Authority has been very successful with recruiting events like Dew Action Sports, Bassmaster Tournaments, and the National Senior games to the Commonwealth. The authority has also been very involved with the proposed development of a new multi-purpose arena in Louisville.

Policy

The Budget of the Commonwealth includes \$1,000,000 in Restricted Funds in both fiscal year 2006-2007 and fiscal year 2007-2008 for tourism marketing and development on behalf of coal producing counties. The money originates from the calculations for the Local Government Economic Development Fund, Multi-county Fund.

The Budget of the Commonwealth includes \$50,000 in General Funds in both fiscal year 2006-2007 and fiscal year 2007-2008 for the Bluegrass State Games.

All currently authorized General Fund debt service costs are budgeted in the Finance and Administration Cabinet in the 2006-2008 biennium.

Policy

Included in the Budget of the Commonwealth is \$2,794,000 in General Fund in fiscal year 2008 for debt service on the Parks Development Pool project

The General Assembly also appropriated \$373,000 in General Fund in fiscal year 2007-2008 for debt service for the Parks Renovation Pool project that was subsequently vetoed by the Governor. Because the debt service remains in the Part I appropriation but the project itself was vetoed, this amount of debt service will lapse to the credit of the General Fund according to statute.

The Breaks Interstate Park, created by KRS 148.220 in 1954 by joint action of the Kentucky and Virginia legislatures, is governed by the Breaks Interstate Park Commission. The Commission is composed of three members from each state appointed by their respective governors. Kentucky provides financial support for the park in the form of a grant to the Commission.

The park, which contains 4,500 acres of woodlands, mountains, and the largest canyon east of the Mississippi River, attracts approximately 380,000 visitors each year. Breaks Interstate Park provides recreation for the people of Kentucky and Virginia in an area where recreational opportunities are limited.

The Kentucky Horse Park (KRS 148.250) is comprised of 1,224 acres on which are situated over 110 structures, 34 miles of fencing and 260 campsites. Horse Park programs consist primarily of four main functions:

Equine Theme Park-The central area of the park contains tourist activities that include the Visitor Information Center, International Museum of the Horse, gift shop, restaurant, Parade of Breeds and Hall of Champions shows, horseback riding, horse drawn tours, and other activities. Approximately 160,000 people visit annually generating \$3.5 million in revenue.

Events-The Horse Park is the host venue for both equine and non-equine special events. Horse shows are central to the mission of the park and comprise the majority of special event activities. Sixty annual equine events utilize 21 pole barns (1,086 stalls), a 1,200 seat covered arena, show office complex, six hunter-jumper rings, four dressage rings, a 7,800-yard cross country course, steeplechase course, and other ancillary structures. In 2004, horse events attracted approximately 384,000 people and \$1.3 million in revenue. The park also hosts non-equine events that include soccer, high school cross country, dog shows, "Old Kentucky Nights" evening programs, "Southern Lights" holiday lights show, and many other events.

Campground-The popular campground is made up of 260 campsites with water/electric hookups, grocery store, two bathhouses, pool, tennis courts, playground, and covered pavilion. Each year 102,000 people camp at the Horse Park, generating more than \$1,115,000 in direct income annually.

National Horse Center-Another area of remarkable growth has been the National Horse Center (NHC), a collection of the nation's and the state's leading equestrian organizations. The NHC now includes 24 distinct organizations contained in nine office buildings. The NHC has solidified the Horse Park's key role in making Kentucky truly the "Horse Capital of the World."

Policy

The Budget of the Commonwealth includes \$3,399,000 in General Fund in fiscal year 2007-2008 for debt service for the construction of a new indoor arena. This arena was an essential element in Kentucky being awarded the World Equestrian Games in 2010.

The Budget of the Commonwealth also includes \$87,000 in General Fund in fiscal year 2006-2007 and \$14,000 in General Fund in fiscal year 2007-2008 for increased travel expenses associated with the Kentucky Horse Park being awarded the World Equestrian Games in 2010.

The Budget of the Commonwealth also includes \$2.3 million in Road Fund in the Transportation Cabinet's capital budget for new roads and road repair at the Kentucky Horse Park in preparation for the World Equestrian Games in 2010. It is anticipated that another \$2 million will be needed next biennium.

The Kentucky Fair and Exposition Center provides facilities and services for conventions, trade shows, agricultural activities, athletic events, concerts, and cultural and commercial productions year-round. At this site, the State Fair Board produces its three major expositions during the year: the Kentucky State Fair, the National Farm Machinery Show, and the North American International Livestock Exposition.

The Kentucky Fair and Exposition Center is a completely air-conditioned complex that includes one million square feet of exhibit and meeting space at ground level. It includes the 19,000-seat Freedom Hall Coliseum, identical East and West Exhibit Halls, East and West Exposition Wings, the South Wing Exposition Facility and Conference Center, a smaller exposition pavilion, a 600-seat amphitheater, a 5,000-seat Livestock and Horse Show Arena, and a 37,000-seat stadium. Also serving the Kentucky Fair and Exposition Center are the adjacent Executive Inn East, Executive Inn West, Executive Bowl, and the Kentucky Kingdom Amusement Park, all of which are long-term lessees of the State Fair Board. An expansion of the South Wing, approved by the 2003 General Assembly recently opened.

Policy

The Budget of the Commonwealth includes \$396,800 from the General Fund each year of the biennium for the North American International Livestock Exposition program.

The Kentucky International Convention Center provides facilities and services for intermediate-sized conventions, trade shows, association events, concerts, and cultural and commercial productions year-round. This facility is an integral and interdependent part of the overall redevelopment of downtown Louisville by both government and private enterprises.

The Center includes approximately 200,000 square feet of exhibit space, a 30,000 square foot ballroom, and nearly 70,000 square feet of meeting space along both sides of Third Street. The exhibit and meeting areas are linked by public concourses spanning Third Street.

The Center is served by the Hyatt and Cowger Parking Garages, which provide 1,300 enclosed parking spaces, and by the Hyatt Regency Hotel, which is a long-term lessee of the Board. The Cowger Garage also includes commercial space which is leased on a long-term basis.

The Debt Service program is responsible for the annual debt service payments on Fair Board bonds issued by the State Property and Buildings Commission.

Restricted funds in the amount of \$4,322,100 in fiscal year 2007 and \$4,424,400 in fiscal year 2008 are included for State Property and Building Commission Projects 81 and 86 debt service payments. Projects 81 and 86 provided funding for an expansion of South Wing C and East Wing Hall.

All previously authorized General Fund debt service costs are budgeted in the Finance and Administration Cabinet in the 2006-2008 biennium.

Policy

The Budget of the Commonwealth includes \$61,000 in General Fund in fiscal year 2007-2008 for debt service for the Pavilion Roof project.

The General Assembly also appropriated \$115,000 in General Fund in fiscal year 2007-2008 for debt service for the HVAC project that was subsequently vetoed by the Governor. Because the debt service remains in the Part I appropriation but the project itself was vetoed, this amount of debt service will lapse to the credit of the General Fund according to statute.

The Department of Fish and Wildlife Resources, established by KRS Chapter 150, is responsible for the protection and improvement of fish and wildlife resources in Kentucky. The Department is headed by a Commissioner appointed by the Fish and Wildlife Commission. The Commission, which is responsible for Department policy, is a nine member bipartisan body appointed by the Governor from a list of candidates provided by sportsmen's organizations in each of nine districts.

Financial support of the Department is derived from the sale of hunting and fishing licenses, federal grants, interest income, fines and penalties assessed by the courts for violation of game and fish laws, and numerous other miscellaneous receipts.

Currently, the Department owns approximately 120,000 acres of land in Kentucky which are used to further its program activities. This acreage includes the State Game Farm, 80 major wildlife management areas, two warm water hatcheries, and three summer camps. An additional 712,355 acres of land and water are under lease or license by the Department for wildlife management activities. The Daniel Boone National Forest provides an additional 600,000 acres of land for public use.

The Department consists of 5 program areas: Administration and Support, Wildlife Management, Fisheries Management, Information and Education, and Law Enforcement.

Three separate Divisions are included in the Administration and Support program area. The Division of Administration and Support manages the day-to-day operations of the Department including maintaining accounting records, ensuring proper purchasing and inventory procedures are followed, and administering hunting and fishing license sales and revenue collections. The Public Affairs Division facilitates public involvement in departmental policy and regulations. The Engineering Division provides the labor and technical engineering services required for the Department's small construction projects. Duties include building small bridges, buildings, boat ramps, and roads. In addition, Engineering is responsible for surveying all property owned or being purchased by the Department.

The Wildlife Management program manages, develops, and maintains statewide game and non-game populations consistent with habitat capacity on state owned lands, licensed wildlife management areas, and privately owned lands. Additionally, Wildlife Management conducts statewide surveys to determine the relative abundance of game and non-game wildlife, formulates hunting regulations based upon biological data and recreational demands, restores viable native wildlife species by restocking in suitable habitat, and evaluates the impact of land, water resource, and other construction projects on wildlife resources. Technical guidance is provided to private landowners for improvement of wildlife habitat conditions. A fish and wildlife electronic information system is being developed for use by state agencies that include geographic information such as land types, vegetation conditions, and wildlife populations.

The Fisheries Management program manages Kentucky's fishery resources to provide optimum fishing opportunities for anglers through research, surveys, fish stocking, regulation, and technical biological guidance. Fishery biologists manage and develop fish populations and their associated habitats in major impoundments, streams, rivers, and 100,000 acres of small lakes and ponds. In addition, technical guidance is provided to private pond owners. Research biologists provide support to management through evaluation of stocking and regulatory practices.

The Information and Education program teaches Kentuckians to safely enjoy the recreational opportunities provided by Fish and Wildlife Resources and to create an appreciation and understanding of the need to conserve these resources.

The Law Enforcement program enforces fish, wildlife, and boating laws. Officers assist other federal, state, and local agencies in enforcement of all criminal laws in the Commonwealth. Officers also provide assistance to the public during times of natural disasters such as floods, forest fires, and severe winter weather.

The Kentucky Historical Society (KHS) engages people in the exploration of the Commonwealth's diverse heritage. Through comprehensive and innovative services, interpretive programs, and stewardship, it provides connections to the past, perspective on the present, and inspiration for the future. Among the agency's significant accomplishments during the current biennium are:

- National accreditation by the American Association of Museums (KHS is one of only five Kentucky institutions to possess this status),
- Public launching of the Society's Digital Collections Catalog which allows researchers remote Internet-based access to the Society's collections, and

- Creation of the Civil Rights Movement in Kentucky on-line database which provides access to thousands of hours of oral history and video documentation.

The Kentucky Historical Society's statutory mandate, pursuant to KRS 171.311, is to collect and preserve for future generations materials and information regarding Kentucky's past; to disseminate knowledge and understanding of the state's history; and to produce for people of all backgrounds an increased awareness of, and appreciation for, the Commonwealth and its heritage. The agency operates four divisions: Administration, Research and Publications, Museums, and Oral History and Educational Outreach.

Since 1999, the Society and its three facilities - the Thomas D. Clark Center for Kentucky History (the "History Center"), the Old State Capitol, and the Kentucky Military History Museum - have hosted over 1,000,000 visitors. Approximately 30,000 students who visit in organized school groups tour the Society's museums annually. The agency offers access to research collections through on-line databases and an electronic library catalog.

The Administration Division provides overall agency direction, planning, and management. It has two branches: Institutional Advancement (IA) and Support Services. Institutional Advancement raises private sector support for projects and services that do not receive state support. Units within the IA Branch include: development, special events, membership, gift shop, facilities rental, marketing/public relations, and website management. Support Services Branch includes technology, personnel, telecommunications, facilities management, and fiscal operations.

The Research and Publications Division has three branches: Publications, Research Library, and Special Collections. Publications Division produces three periodicals and numerous book-length works on Kentucky history subjects. The Thomas D. Clark Research Library, housed in the History Center, possesses over 100,000 volumes of Kentucky family history materials and serves over 30,000 research requests annually. Special Collections consists of maps, photographs, manuscripts, and rare books. Considerable resources have been invested in digitizing research materials for on-line public access. A digitizing unit within the Special Collections Branch creates electronic copies of fragile historic materials to permit Internet access to research collections and to preserve them.

The Museum Division operates the History Center's museum (a 20,000 square-foot permanent exhibition and a 4,000 square-foot temporary exhibition gallery), the Old State Capitol, and the Kentucky Military History Museum. Six sub-units compose the Museum Division: education, visitor services, traveling exhibitions, exhibit design, artifact collections, and military history.

The Oral History and Educational Outreach Division includes the Kentucky Oral History Commission, the Kentucky Folklife program, and the Local History Branch. The Local History Branch includes the Kentucky Junior Historical Society, the Governors' Gravesite Grants program, Local History Grants, Education Grants, and Kentucky Historic Highway Markers program. The Division provides Kentucky communities' historic organizations and museums with technical support and limited grant funds, and promotes history education in Kentucky's schools.

Kentucky Center for the Arts ("The Kentucky Center") is the Commonwealth's premier performing arts center. Over 400,000 people attend events at The Kentucky Center each year. It is the performance home of the state's largest orchestra, opera, ballet, Broadway and children's theatre productions. Governor's School for the Arts is a division of The Kentucky Center that serves student artists from across the Commonwealth.

The Kentucky Center houses three theaters: the 2,479-seat Robert S. Whitney Hall, the 619-seat Moritz von Bomhard Theater, and the 139-seat Boyd Martin Experimental Theater. The facility features a multi-tiered lobby, rehearsal halls, a 190-seat restaurant and spaces for social and business events. All areas of the facility are accessible to those with physical disabilities, and nationally award-winning services for patrons who are hearing or visually disabled are available during performances.

The Governor's School for the Arts addresses the needs of an underserved population - the state's artistically gifted and talented young people - and supports the Kentucky Education Reform Act's mission to recognize the widest possible range of learning styles and capabilities. Many of its students come from rural areas of Kentucky where specialized arts instruction is not available. The Kentucky Center provides a wide range of other nationally recognized educational programs including professional development for teachers, partnerships with schools and community centers, and opportunities for artists to work in classrooms. In addition to these programs, The Kentucky Center's management also provides consulting services throughout the state.

Policy

The Budget of the Commonwealth provides additional General Fund resources of \$150,000 in fiscal year 2008 for the stabilization of Governor's School for the Arts.
